It is a noticeable fact that those who drink beer are usually healthy men.

You find no dyspeptics among them, no nervous wrecks, no wasted, fatless men.

The reason is that beer is healthful.

The malt and the hops are nerve foods.

The habit of drinking beer keeps the body supplied with fluid to flush out the waste.

The best beer in Hawaii is

# ROLLED ROASTS

From this market are admitted to be the best in Honolulu. The beef is best and the cuts superior. You may depend upon the service, even if you do not order in person.
